

RAY LEARNEY MEMORIAL FUND

A fund has been set up by Hertfordshire Badminton Association in memory of national coach Ray Learney and his contribution to the development of badminton. Hundreds of juniors, very many adults and most coaches in Hertfordshire have been encouraged, inspired and had their badminton skills developed by Ray. As Ray was particularly keen to help youngsters become involved in badminton coaching, the fund will be used to subsidise young people to go on coaching courses.

Applications for a grant towards the cost of attending a coaching course should be made, using the form below, to Colin Walker, HBA Treasurer at 9, Valley Close, Hertford, Herts, SG13 8BD, or via email to: colin.walker4@ntlworld.com.

Funds are limited and preference will be given to young people living in Hertfordshire and surrounding counties who have difficulty in paying the full coaching fee and who have exhausted other possible funding avenues such as, your Local Authority Sports Development Officer or, if you are planning to help out at a school, your local Schools Partnership Development Manager. For contact details of these and other possibilities, please contact Badminton Herts Development Co-ordinator, Dave Bartlett via email dave-HBA@bartlett1.plus.com.

All applications will be handled in strict confidence.
